2

- Date of survey: 19-21/5/2020
- Survey method: Random telephone survey conducted by real interviewers
- Target population: Cantonese-speaking Hong Kong residents aged 18+
- Sample size: 1,001 (including 500 landline and 501 mobile samples)
- Effective response: 55.6%
- Sampling error: Sampling error of percentages not more than +/-3% and that of ratings not more than +/-2.3 at 95% conf. level
- Weighting method: Rim-weighted according to figures provided by the Census and Statistics Department. The gender-age distribution of the Hong Kong population came from “Mid-year population for 2019”, while the educational attainment (highest level attended) distribution and economic activity status distribution came from “Women and Men in Hong Kong - Key Statistics (2019 Edition).

Survey Topic

3

- June Fourth anniversary survey
 - People's Appraisal on June Fourth Event
 - People's Appraisal and Expectation of China's human right condition
 - Democratic and economic development in China
 - People's Appraisal on the HK Alliance in Support of Patriotic Democratic Movement in China (“the Alliance”)

Survey Result - June Fourth anniversary survey

4

● People's Appraisal on June Fourth Event

	20-23/5/2019	19-21/5/2020	Change	Record
The Beijing students did the right thing	52%	52%	▲<1%	Record high since May 2013
The Beijing students did the wrong thing	21%	20%	▼1%	Record low since May 2018
The Chinese Government did the right thing	13%	15%	▲2%	Record high since May 2008
The Chinese Government did the wrong thing	68%	66%	▼1%	Record low since May 2016
There should be a reversion of the official stand on the incident	59%	59%	▲1%	Record high since May 2016
There should not be a reversion of the official stand on the incident	23%	23%	▼<1%	Record low since May 2016

- All these figures have not changed much from a year ago. Our survey shows that Hong Kong people's mainstream opinion still holds that the Chinese Government was wrong in 1989, people still support the Beijing students and a reversion of the official stand on June Fourth.

Survey Result - June Fourth anniversary survey

5

● People's Appraisal and Expectation of China's human right condition

	20-23/5/2019	19-21/5/2020	Change	Record
China's human rights condition has improved since 1989	44%	38%	▼6% *	All-time record low since May 1993
China's human rights condition has worsened since 1989	33%	43%	▲10% *	All-time record high since May 1993
China's human rights condition would improve after 3 years	32%	29%	▼3%	All-time record low since May 1993
China's human rights condition would worsen after 3 years	37%	44%	▲7% *	All-time record high since May 1993

- Regarding the human rights condition in China, 43% of the respondents believed that China's human rights condition has worsened since 1989, and 44% anticipated that China's human rights condition will further worsen after 3 years, both having increased significantly compared to a year ago, whereas 38% and 29% respectively thought it has improved or will improve. The figures of both questions are at their worst since records began in 1993

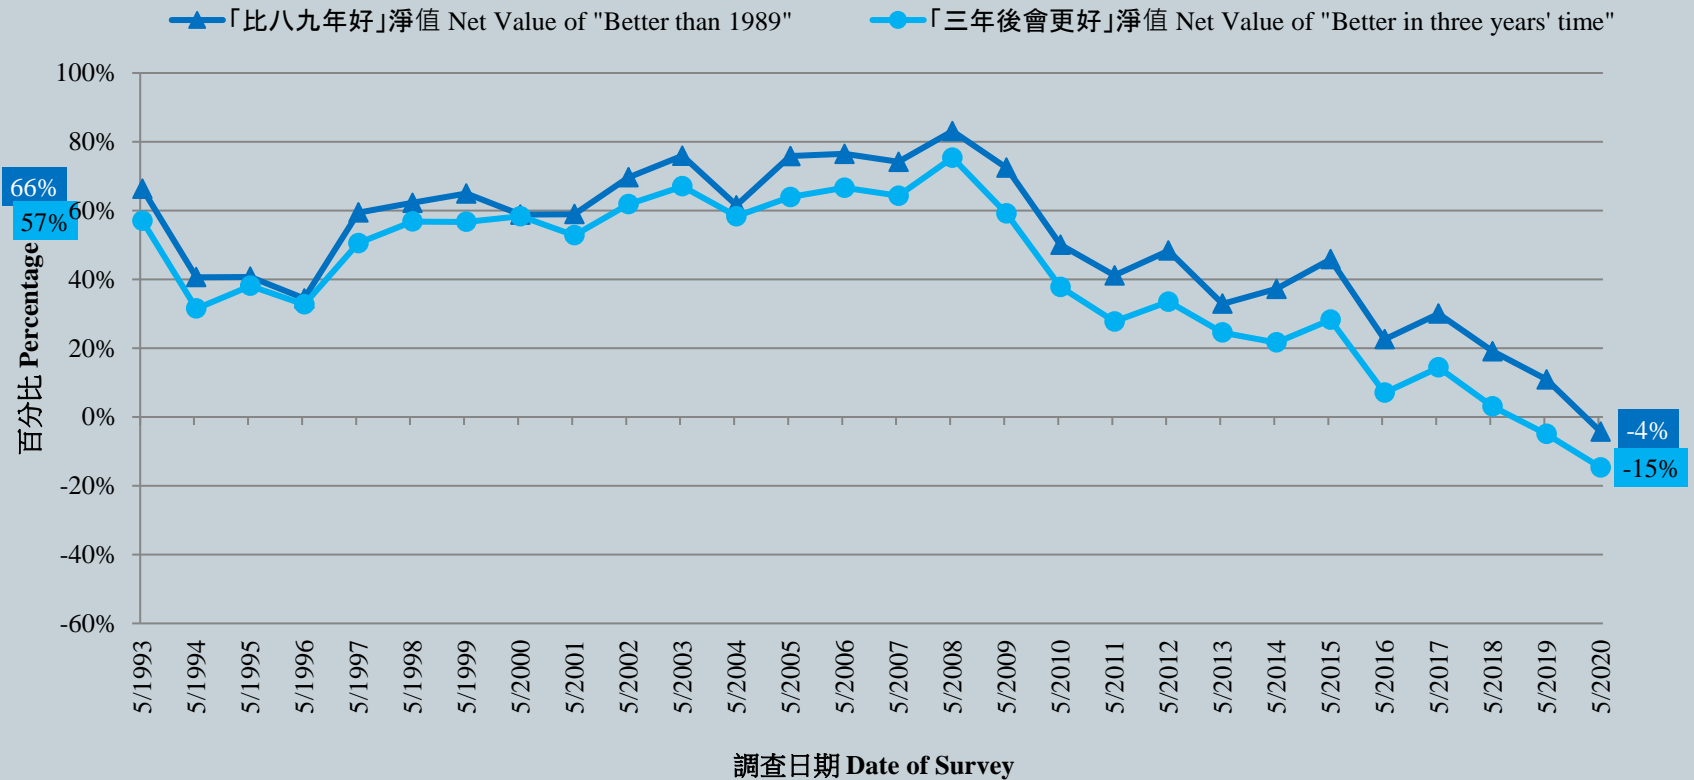

* Significant change

7

● Economic and democratic development in China

	20-23/5/2019	19-21/5/2020	Change	Record
HK people have a responsibility to instigate the development of democracy in China	62%	51%	▼10% *	All-time record low since May 1993
HK people have no responsibility to instigate the development of democracy in China	28%	36%	▲8% *	All-time record high since May 1993
HK people have a responsibility to instigate economic development in China	59%	45%	▼14% *	All-time record low since May 1996
HK people have no responsibility to instigate economic development in China	35%	45%	▲10% *	All-time record high since May 1996

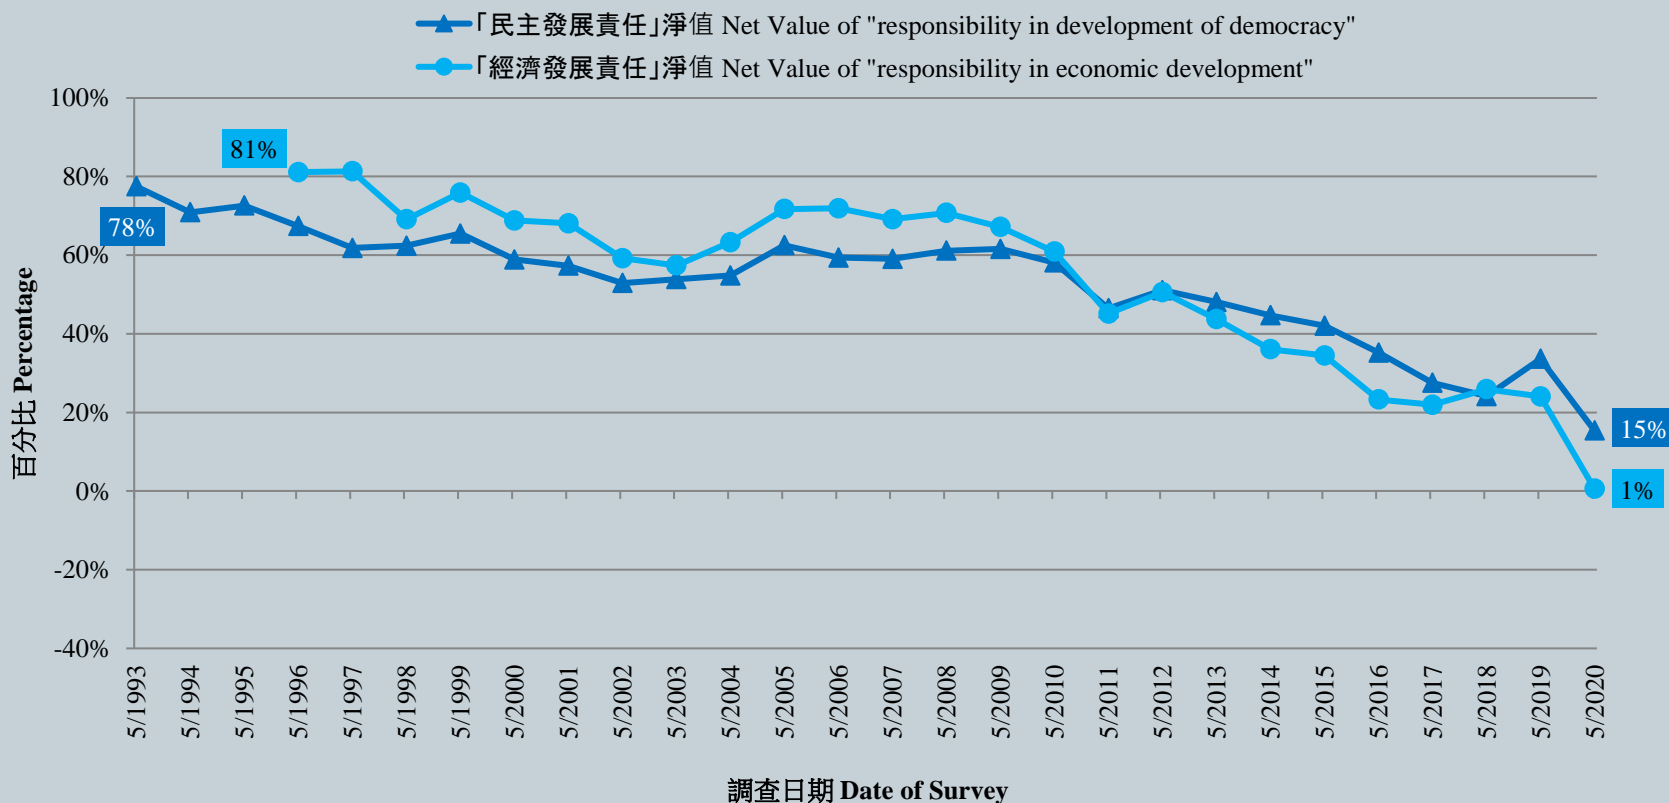

- The number of people who thought Hong Kong people had responsibilities for developing both plunged, while the number of people who thought otherwise surged, setting new records since the question on democratic development was first asked in 1993 and that on economic development started in 1996.

* Significant change

Survey Result - June Fourth anniversary survey

8

香港人推動中國民主/經濟發展的責任 (按次計算)
Responsibility of Hong Kong people to instigate democracy/economic development in China (Per Poll) (1993 – 2020)

Survey Result - June Fourth anniversary survey

9
