Press Invitation

HKPOP will release this Friday a “We Hongkongers Panel Survey” on the reorganization of the police force and the “Post-Epidemic Gathering Resumption Index”

The Hong Kong Public Opinion Program (HKPOP) under the Hong Kong Public Opinion Research Institute (HKPORI) has re-launched its “We Hongkongers” Initiative in late May. Every week we would invite Hong Kong people to suggest current affairs survey questions to us via our Facebook page and then cast their vote online to select the question(s) for our “We Hongkongers Panel Survey”. The first survey after re-launch was about “National Security Law”, results were announced last week at our press conference. This week’s survey is the second round and the question is: “Do you think the Hong Kong SAR Government should or should not substantially reorganize the police force?” Up to 10am this morning, over 10,000 citizens have already participated in the survey, and the results will be announced **this Friday (June 5) afternoon**.

Moreover, HKPOP will also release the latest reading of the “Post-Epidemic Gathering Resumption Index” (PEGRI) this Friday, while its reading today (June 3) is 27.2.
