Press Invitation (Reminder)

HKPOP will release tomorrow our “We Hongkongers Survey” on the request to Guangdong government to extradite the 12 Hong Kong people intercepted and some “Post-Epidemic Normality Resumption Indexes”

The Hong Kong Public Opinion Program (HKPOP) under the Hong Kong Public Opinion Research Institute (HKPORI) will hold a press conference **tomorrow (September 18) afternoon** to release latest results of “We Hongkongers Panel Survey” and some “Post-Epidemic Normality Resumption Indexes”.

HKPOP has re-launched its “We Hongkongers” Initiative in late May. Every week we invite Hong Kong people to suggest current affairs survey questions to us via our Facebook page, then cast their votes online to select the question(s) for our “We Hongkongers Panel Survey”, and then release the results. This week’s survey is the seventeenth round and the question is: “There is a view that Hong Kong government should request the Guangdong government to extradite the 12 Hong Kong people intercepted by the Guangdong coast guard back to Hong Kong as soon as possible, so that their cases can be followed up in Hong Kong. How much do you support or oppose this view?” Up to 11am this morning, over 15,000 submissions have been received. Results will be announced tomorrow (September 18) afternoon.

On the other hand, HKPOP is also releasing some “Post-Epidemic Normality Resumption Indexes” (PENRI) on a daily basis, please visit our website at <https://www.pori.hk/penri> for previous figures. Here are today’s readings of some PENRIs:

Release Date of Indexes	17/9/2020
