Press Invitation (Reminder)

HKPOP will release today Hong Kong People's Feelings Towards Different Governments and People and some "Post-Epidemic Normality Resumption Indexes"

The Hong Kong Public Opinion Program (HKPOP) under the Hong Kong Public Opinion Research Institute (HKPORI) will hold a press conference **today (September 1) afternoon** to release Hong Kong people's feelings towards different governments and people and some "Post-Epidemic Normality Resumption Indexes".

HKPOP has re-launched its "We Hongkongers" Initiative in late May. Every week we invite Hong Kong people to suggest current affairs survey questions to us via our Facebook page, then cast their votes online to select the question(s) for our "We Hongkongers Panel Survey", and then release the results. This week's survey is the fifteenth round and the question is: "Judging from the pandemic situation in Hong Kong, do you think the Legislative Council election originally scheduled on 6 September this year should be held as soon as possible?" The survey has started yesterday and up to 10 am this morning, over 13,000 submissions have been received. The result will be announced this Friday (September 4) afternoon. Please stay tuned.

On the other hand, HKPOP is also releasing some "Post-Epidemic Normality Resumption Indexes" (PENRI) on a daily basis, please visit our website at <https://www.pori.hk/penri> for previous figures. Here are today's readings of some PENRIs:
