Press Invitation

HKPOP will release this Friday our “We Hongkongers Survey” on the “Lantau Tomorrow Vision project”, the “Post-Epidemic Gathering Resumption Index”, and the progress of the “Stay or Leave Survey”

The Hong Kong Public Opinion Program (HKPOP) under the Hong Kong Public Opinion Research Institute (HKPORI) will hold a press conference this **Friday (September 25) afternoon** to release the latest results of “We Hongkongers Panel Survey” and the “Post-Epidemic Gathering Resumption Index”.

HKPOP has re-launched its “We Hongkongers” Initiative in late May. Every week we invite Hong Kong people to suggest current affairs survey questions to us via our Facebook page, then cast their votes online to select the question(s) for our “We Hongkongers Panel Survey”, and then release the results. This week’s survey is the eighteenth round and the question is: “There is a view that the government should suspend the ‘Lantau Tomorrow Vision Project’ which would cost at least \$600 billion. How much do you support or oppose this view?” Up to 10 am this morning, over 14,00 submissions have been received. Results will be announced **this Friday (September 25) afternoon**.

As for the “Opinion Survey on the Staying or Resignation of Democratic Camp Legislative Councillors”, for the first 2 days, from September 21-22, HKPORI and Centre for Communication and Public Opinion Survey (CCPOS) of CUHK have collected a total of 919 successful cases, achieving 38% of the target sample size. The survey is expected to end on or before **September 28**.
