香港專業拉丁舞蹈學院校長及藝術總監吳森雋指出，「控制疫情主要靠市民自律，只要大家注重公共衛生，自覺戴上口罩，情況必定會有改善。政府放寬限聚令對飲食業界是非常好的安排，新規定亦能令多個行業增加出路。不過，我認為限聚人數仍然太緊，如果可以上調至8人以上，相信會更加理想。」

Sam Ng, the Principal and Artistic Director of the VIVA DANCE, observed, “Effective epidemic control mainly depends on people’s self-discipline. As long as everyone pays attention to public health and consciously wears a mask, the situation will definitely improve. The relaxation of the gathering restriction order is a very good arrangement for the catering industry, and the new regulations can help many industries find a way out of the crisis. Regrettably the number of gatherings is still too tight. I consider it more ideal to permit gatherings of 8 people if not more.”
