香港教育中心商會副主席任偉豪指出：「愈來愈多家長、教師和學生都認為9月開學應維持半日制上課。特別是小學方面，家長幾乎一面倒認為半日制上課更加合適。況且，經過了3個學期，大家都適應了半日制的上課節奏。課堂進度雖然稍微落後，但家長卻有更多和孩子相處的親子時間，也可在課餘時更大自由地選擇不同類型的課外活動。我希望楊潤雄局長能留意半日制給小學生帶來的好處，在新的學期，甚至是疫症過後依然維持半日制。」

**Vice Chairman of The Hong Kong Chamber of Education Centres Yam Wai Ho observed, “More and more parents, teachers and students now believe that the new semester starting September should maintain half-day classes. Especially in elementary schools, almost all parents believe that it would be more suitable. After three semesters, everyone has adapted to the rhythm of half-day classes. Although progress at class is slightly slower, parents have more parent-child time with their children, and they can also choose different types of extracurricular activities more freely. I hope the Secretary for Education Kevin Yeung can take note of the benefits of half-day schooling to primary school students, and maintain half-day classes in the new semester, even after the epidemic.”**
