復興經濟民生大聯盟成員任偉豪指出：「林鄭特首已上京述職回來，但依然未能為港成功爭取通關。原因可能在於中央認為並沒有必要與香港通關，加上西安疫症再度大爆發以及要應付冬奧此頭等國家大事，如與港通關只會令國家徒添變數。最想通關的，可能是急於開展施政報告中的大灣區大計的林鄭特首。」

**Yam Wai Ho, member of Alliance of Revitalizing Economy and Livelihood observed, “Chief Executive Carrie Lam has gone to Beijing to report her work, but she still failed to obtain border resumption for Hong Kong. The reason may be that China government believes that there is no need to resume the border crossing with Hong Kong, coupled with the recurrence of the Xi’an epidemic and the need to cope with the top national event of the Winter Olympics, border resumption with Hong Kong will only add variables to the country. The person who most wants to resume border may be Chief Executive Carrie Lam, who is eager to carry out the plan for the Greater Bay Area in the Policy Address.”**
