民生大聯盟發言人章彤輝博士指出，「最近疫情數字對於一般人來說算是『好有壓力』，所以不少飲食及零售業界對於政府將社交距離措施延至2月17日均表示十分無奈。期望政府能採取主動及盡早推出一些補貼或賠償等方案，日後亦應細化行業內防疫要求，避免『一刀切』推行防疫措施令整個飲食行業都受影響。」

Dr Tung-fai Cheung, Spokesman of Alliance of Revitalizing Economy and Livelihood, observed, “The recent epidemic figures are seen to be ‘very stressful’ to the general public, so many in the catering and retail industries have expressed their helplessness over the government’s postponement of social distance measures until February 17. We hope that the government will take the initiative and introduce some subsidies or compensation schemes as soon as possible, and refine the requirements for epidemic prevention in the industry in the future, so that the whole catering industry will not be affected by the implementation of epidemic prevention measures in a broad-brush manner.”
